

20th January 2010

Dear Parents,

On Thursday 28th January, we shall be taking Class 3 to The Rotten Resource Centre near Ashby de la Zouch, to take part in a maths workshop linked to recycling, re-using and reducing.

We shall be leaving straight after registration in the morning and will return to school early afternoon, after they have eaten lunch and sorted their rubbish! There will be no cost involved, as this event is being funded by Viking Challenge funds.

All the children will need a **packed lunch with a named carton of drink** in a **named disposable plastic bag**, plus school uniform, sensible shoes and a warm coat. There will be no need for any spending money.

If your child takes medication for travel sickness, please could you administer this before coming to school and let the class teacher know, giving them medication for the return journey with full instructions for administration. If your child uses an inhaler, please ensure they have it in a zipped pocket and inform the adults where it is.

**Please return the permission slip by Monday 25th January.**

Yours sincerely,

Miss N Doyle  
Class Teacher
