

25th January 2010

Dear Parents

We have the opportunity to host a **Maths workshop** to help develop your awareness and understanding of the learning process in Key Stage 1, (Y1-2, but equally valuable to Reception parents, as we try to move the children on as soon as they are ready and it won't be long before they are in Year 1 anyway!!)

It is a FREE two hour workshop led by staff from LEBC (Leicestershire Education Business Company) for up to 25 parents. I need to know when would be the best time to try and organise it, as we want to try and accommodate as many of you as possible.

Please return the slip by Wednesday 27th January, indicating which sessions you could attend, in order for me to book them in. I will notify you of the date as soon as possible.

Yours sincerely,

Mrs J V Hopkins  
Head Teacher
