

Dear Parents,

Basketball Winners

Here's our amazing winning basketball team, with their individual trophies. Look out for them in next week's Melton Times.

News from Classrooms

Class 1: This week Class 1 have shared stories about robots and made their own robot paintings and pictures. The children also looked at writing and following instructions. In maths they have been counting in groups.

Class 2: This week Class 2 have been adding and subtracting and have even starting to solve money problems. In English they have looked at using speech in the story of Charlie and the Chocolate Factory and made their own chocolate factory using words and drawings. In RE they have been learning about the Hindu worship of Puja and looked at a real Puja tray in class.

Class 3: Class 3 have been composing narrative poems this week and have been looking at different types of settlements. They have been working on division in their maths lessons.

Maths next week:

Class 1: Data handling and counting in 2's, 5's and 10's.

Class 2: Shape and Space

Class 3: Fractions

Melton Dance Show

The WORLD PREMIER of the dance which will be performed at the Melton dance show will take place at next Friday's assembly. We hope to see you there.

Book Club

Mr Williams will be starting a book club on Thursday lunchtimes after half term, for children in Class 2 & 3. They can bring a book and their packed lunch or join us after their school dinner.

School Bus

We would like you to know that we have raised our concerns with the bus company following the drop-off of children at Barkestone on Thursday. We are awaiting comment from their Manager.

Spanish

Senorita Barsby thought you may like to know of 2 apps which may be useful for KSI children; Mindsnacks and DuoLingo.

Children in Class 3 have started working on Spanish grammar, so they may be coming home asking questions about this. It will, however, all become clear over the coming weeks.

KSI SAT's Meeting

Apologies for any confusion with the SAT's meeting today. Another meeting will take place on Friday 3rd March, after the Viking Challenge cheque presentation, as published in the newsletter last week. Thank you to those who did attend today.

Vale Cross Country

The Vale Cross Country event takes place on Monday, which ALL children in Years 3 – 6 are required to attend. For those unable to participate in the event itself, they will still come along and cheer their friends on. If you have not already done so, please return the permission slip for the coach travel on Monday. Thank you.

Mad Science

Mad Science is now full. If you would like your child to be added to the waiting list, please contact the school office.

DLAT Visitor

As part of our work with the Trust, Paul Weston (advisor to the DLAT) will be visiting us next Friday to support us with our monitoring programme. He may join us for special assembly or you may see him at the gate; he will be wearing a visitors badge so he will be authorised!

Letters going home this week:

Swimming Y1-3

Have a lovely weekend and good luck to all the dancers performing on Sunday; see you there!

Yours sincerely,

Mrs J. V. Hopkins
Head Teacher
