

Dear Parents,  
Welcome back to our summer term!

**News from Classrooms:**

**Class 1:** This week in Class 1 the children completed Mondrian paintings. They counted on and back in 1's and 10's in maths and worked on set 2 & 3 sounds in Read, Write, Inc.

**Class 2:** This week Class 2 have launched their summer topic by researching the British seaside. They also designed, with a budget of money, their very own seaside resort and made some fantastic postcards. In R.E. they looked at the Creation Story, creating their own creation art work.

**Class 3:** This week the children have created a brochure for their own seaside resorts and have begun to develop their map reading skills. They have also been studying Roman numerals.

**Maths Next Week:**

Class 1: Place value; 1's and 10's  
Class 2: Problem solving  
Class 3 Y4/5: Arithmetic skills  
Class 3 Y6: SAT's revision

**Reading Challenge**

Please look out in reading diaries this week for our new 'Reading Challenge'. Children will get the chance to receive certificates to reward the reading they are doing at home. Each time your child reads they will need a parental signature on one of the circles on the reading book mark (this must also be recorded as normal in reading diaries).

**Year 6 SATs**

These will soon be upon us so please ensure you continue to keep up the momentum of preparation as advised by the class teachers. Reading daily is ESSENTIAL; remember, **90 words a minute**; help test and challenge them...**including the spellings on the Y5/6 list**. Every little helps, so please help them as it will keep their confidence up.

**Lunchtime Supervisor Vacancy**

Leaflets went home in bags this week regarding a vacancy for a Lunchtime Supervisor. Please contact the school office for more information. Deadline for applications is 3pm on Tuesday 2<sup>nd</sup> May. Please spread the word.

**Message from Judith Wells**

**Dancing**

Next week dancing will take place on Thursday.
