

Dear Parents,

**News from Classrooms:**

**Class 1:** This week Class 1 have been creating undersea artwork based on their stories "Hooray for Fish", "Sidney and the Seven Seas" and "The Lighthouse Keeper's Catastrophe". They also discussed The Ascension of Jesus and drew pictures of what they thought happened.

**Class 2:** In Class 2 this week the children have been creating port holes of what they would like to see under the sea! They also researched and created an information text about different types of sea creatures and created mini versions of themselves to go on the class seaside display. In literacy the children did some persuasive writing to encourage people to visits their seaside resort.

**Class 3:** This week Y6 have continued to work incredibly hard with their maths, reading and writing skills and have been sports coaches to Class 1.

**Maths Next Week:**

Class 1: Using what we know to solve problems including money

Class 2: Measures and problem solving

**Kingswood**

Mrs Hopkins has called to let us know how much the children are enjoying their residential trip. It appears they are having a fantastic time but we understand they may be a bit tired when they get home! We look forward to hearing all about it.

**Drumming**

There will be no drumming next week due to SAT's, but the lesson will be rescheduled.

**Young Innovators**

We again have teams of children in Y4-6 participating in the 3M Young Innovators Challenge, which takes place on 17<sup>th</sup> and 23<sup>rd</sup> May. Letters will be going home next week with those children who are taking part.

**Football Friendly**

Following the football friendly against Waltham last Friday, the children have the following to report:

**Y3/4**

**Boys:** We loved it! We won 4-0 and the goal scorers were Logan, Nico (2 goals) and an own goal.

**Girls:** We lost 2-0 but it was very close and everyone enjoyed it a lot.

**Y5/6**

**Boys:** We won 4-1 and the goal scorers were Joe, Oli, Liam and an own goal.

**Girls:** We unfortunately lost 1-0. We had no substitutes so we were very tired at the end. It was a very exciting match!

**Message for Year 6**

Good luck to all our Year 6's who take their SATs next week. Please don't talk too much about it over the weekend; the work has been done and you are ready! We are all really proud of the effort and commitment you have shown to achieving your best. You are all very special people and I know you'll give it your all. Don't forget to have plenty of sleep and bring chocolate next week!!

Next Friday, the Year 6 children will be having a celebration, therefore they are welcome to bring in some sweet treats to share and enjoy (cakes, biscuits, crisps etc) – so they won't be needing much lunch!

Let no one steal your dreams

Let no one tear apart

The burning ambition

That fires the drive within your  
heart

Set your sights and keep them  
fixed

Set your sights on high

Let no one steal your dreams

Your only limit is the sky.

From 'Let no one steal your dreams' by  
Paul Cookson

Yours sincerely,

Miss H Geeson  
Deputy Head Teacher

Learning together, having fun
