

Dear Parents,

Year 6 Trip

On Monday, the Year 6 children, Mrs Longden and Miss Geeson went on an awesome leavers trip to the Snowdome at Tamworth. They had an hour of skiing followed by fast and furious tobogganing session. During the afternoon they then had snowboarding lesson. We refuelled on the way home with a delicious McDonalds!

News from Classrooms:

Class 1: This week Class 1 completed their Read Write Inc for this year. All the children have made me very proud of their achievements. They have revised their maths skills and used them to solve problems with money, shape and measures.

Class 2: This week Class 2 had a special visit from a mysterious King called Oberon. He left the children mini challenges to help his kingdom find Peace. They also made crowns out of things from nature; they were beautiful. At the end of the week they were rewarded with a special glitter party. They have also been busy practising for the summer festival.

Class 3: This week Class 3 have been designing and building a fully functioning lighthouse, using their scientific knowledge. The children have also written a science-fiction adventure.
