

Dear Parents,

News from Classrooms

Class 1:

This week the children went on a “senses” walk around Redmile village and called in on “Paddy” to see what different sounds, sights and smells could be found in his garden.

Class 2:

This week Class 2 started looking at Autumnal changes. They designed hedgehog homes and even met a baby hedgehog on their travels. They also worked really hard looking at symbols related to more than and less than (they even learnt a crocodile cheat to make maths easier!) In R.E. the class looked at the Jewish Creation story and compared it to the Christian story and created some beautiful pieces of art.

Maths next week: Addition and subtraction

Class 3:

This week Class 3 created a hedgehog habitat in science. They have also created a marvellous display of self-portraits made from fruit and vegetables.

Maths next week: Addition and subtraction

Class 4:

This week the children have been working on direct speech. They have also been looking at life and conditions in the trenches and have been exploring the soul in R.E.

Maths next week: Mental methods for arithmetic

VIKING CHALLENGE – SUN 1ST OCTOBER

Viking Challenge T-shirts

Thank you to those who have ordered Viking Challenge T-shirts. These will be handed out on Monday and can be worn on the mini Viking Challenge.

Mini Viking Challenge

This will take place on Wednesday 27th September, 1.30pm – 2.30pm, all welcome. The children can bring their mode of transport in the morning. Each class will have the opportunity to go around a short course on the field and there will be a fruit and drink stop on the way round! School uniform should be worn but those children who have bought a Viking Challenge T-shirt may wear it for the day. Please remember that children must wear helmets if they bring a bike to school. A big thank you to Mrs Murray, Mrs McClure and Mrs Shores for organising this event for the children.

P.E. / Sports Club

Due to Viking Challenge set-up, P.E. will take place on Thursday instead of Friday next week. KS2 sports club is cancelled next Friday.

Special Assembly

There will be no special assembly next Friday.

Cross Country at Prestwold Hall Saturday 30th September

We have again paid for affiliation to the Primary Schools Cross Country League. Races start on 30th September at Prestwold Hall for all children Y3-6 wishing to take part, although we understand some children will not be attending this first race due to family Viking Challenge commitments. For further information please visit: <https://funtorun.co.uk/running-leagues/lpxc/> Please note you will need to take full responsibility for your child at all times at this event. Good luck to our runners!

School Photographs

The school photographers will be coming into school on Tuesday 26th September at 8.45am. Should you wish your child to have their photograph taken with their pre-school siblings, please contact the school office on Monday.

Magic Maths

We have been informed by Magic Maths that their assembly on Monday 25th September is only for the children NOT parents. Sorry for any inconvenience.

Next Week:

Please continue to speak to the class teacher or Mrs Longden if you have any worries or concerns. The DLAT will be providing cover and support for us from our Academy Trust next week while Mrs Hopkins and Miss Geeson are absent - so say ‘hello!’ when you see them!

Miss Geeson

Miss Geeson leaves to start her maternity leave today and I’m sure you’ll all join us in sending her very best wishes. Hopefully she’ll get a bit of time to herself before the baby arrives!

A big thank you!

I would just like to say a massive thank you to all the children, parents, governors and staff who have made this week so special with all the kind words, advice and gifts as well as a surprise baby shower! I’m looking forward to putting my feet up next week.
Miss Geeson x

Yours sincerely,

Miss Geeson, Deputy Head teacher

Learning together, having fun
