

Dear Parents,

Thank you to everyone who has sent good wishes (and chocolate!!) during this very intense week. The children have been a credit to us as always and I know that many of you demonstrated your full support of the school directly to the inspector...thank you. I should receive the report in approx. 2 weeks and as soon as I am able, I will ensure you all receive a copy; until then, I am unable to share any information with you as the inspector's report and sources of evidence have to be quality assured before a final report is finished.

One thing I can say, and it's something I frequently say, I am very proud to be the Headteacher and to work with so many amazing people.

Staff have been amazing, as always, and members of the central DLAT team, including the CEO, have been highly supportive too.
