Hattie

You should believe in Jesus and God because they created mankind and the Earth. They have made happy faces all around the world and they also made all the animals around the whole world.

You should always believe in them because they will lift your soul up to Heaven. If you don't, you won't be so lucky.

Our theme last week was Remembrance, so we are going to just have a quiet minute thinking about the people who have hopefully gone to Heaven, like some of our ancestors.

Natasha

You should read Bible stories to learn about God and Jesus. But just like Hattie said, if we believe in Jesus and God you will go up to Heaven.

Hannah

I am a Christian so I know a lot about God and Jesus. I also go to church which is a great honour for me. As Hattie and Natasha said, you must believe in God and Jesus to be able to go to heaven. Jesus is the saviour because he never did anything wrong and he always saved other people.
