

Redmile Church of England Primary School

No Smoking Policy

1 Introduction

1.1 Secondhand smoking, breathing in other people's tobacco smoke, has been shown to cause cancers, heart and respiratory disease in non-smokers.

The Health and Safety at Work Act 1974 places a duty on employers to provide a working environment that is:

'Safe, without risks to health.'

Redmile Church of England Primary School acknowledges that secondhand tobacco smoke is both a public and work place health hazard and has therefore adopted this no-smoking policy.

It is now a statutory requirement that all entrance points to the school buildings have 'No Smoking' signs clearly displayed.

2 Aims

2.1 The policy seeks to:

- Guarantee a healthy working environment and protect the current and future health of employees, pupils and visitors
- Guarantee the right of non-smokers to breathe in air free from tobacco smoke
- Comply with Health & Safety Legislation and Employment Law
- Raise awareness of the dangers associated with exposure to tobacco smoke
- Raise awareness amongst smokers that the smell of tobacco which lingers on clothing, property and a smokers breath can be offensive and unhealthy for others, including pupils and work colleagues
- Take account of the needs of those who smoke and to support those who wish to stop

3 Restrictions on Smoking

3.1 Smoking is not permitted in any part of the premises, entrances or grounds at any time, by any person regardless of their status or business with the school. During the annual Viking Challenge, signage will be displayed around the site and any one seen smoking will be asked by marshals to stop. However they are not

expected to enter into any confrontation which may put their personal safety at risk.

4 Visitors

- 4.1** All visitors, contractors and deliverers are required to abide by the no-smoking policy. Staff members are expected to inform visitors of the no-smoking policy. However they are not expected to enter into any confrontation which may put their personal safety at risk.

5 Support for smokers

- 5.1** Support and advice is available from the school nurse, Kay 01664 854920 and from Resolution 01509 567766.
