

To support your child/ren, please see the suggested reading list of age appropriate books which have been recommended by other children. Please check the blurb on the back of the book before allowing your child to read it, as what may be appropriate for one child may not be appropriate for another. In order to build your child's reading ability, please encourage them to read for twenty minutes daily and record it in their reading record.

Please let us know if you have any other recommendations 😊
