## REDMILE CHURCH OF ENGLAND PRIMARY SCHOOL

Dear Parents,

The big weekend is finally here!

### Cake Deliveries

Cakes can be dropped off at school, 9am -12pm tomorrow, in the end mobile. The side gate will be open so please go straight round - the main building will be locked.

### Disco

Tonight 6.00 – 7.30pm. Thank you for the kind donations for the children's tombola. The disco is the children's opportunity to join in with the event.

### Help on Sunday

If you are able to help on Sunday and haven't put your name forward, please contact Richard Fixter on 07710 069571.

### Refreshments for Supporters

There will be refreshments this year at the school for non-riders. Located behind the mobiles, supporters may come and enjoy the atmosphere of the day while sampling some of the delicious homemade cakes. Money raised for these refreshments will go to St. Peter's Church, Redmile. Please ensure for safety reasons, children only come on to school grounds if accompanied by an adult.

### Viking Challenge Treasure Map

From the supporter's refreshment area there will be a Viking Challenge Treasure Map – on one of the square grid references is hidden some 'treasure' – something fantastic for the school and a food goody hamper. All the squares need to be sold to ensure the treasure is found. The lucky person who buys the 'treasure square' will win the hamper for themselves and ensure that the school gets it's treasure as well. So please come along and buy lots of squares!

Thank you to the Church Committee for helping support the Viking Challenge and donating extra cakes, refreshments and prizes in this way.

### Harvest Festival

Our harvest festival is planned for 15th October at 2pm, although there may be a change of venue. St. Peter's Church has been temporarily closed due to

the leaky roof, causing potential damage to the electrics. If an alternative church can not facilitate us, we may have celebrations in classrooms instead. I'll update you next week.

This year, our service will be very different, as our friend David Watterson will be revisiting us with his puppets. Each class will work with him during the day, ready for the performance. Please try to attend - the children really look forward to seeing you there

### Harvest Boxes

Our harvest boxes were very well received by Dove Cottage last year and looked beautiful in church, so we'd like to do the same again this year. Please send your child/ren in with a box (shoe-box size) on Friday 10th October, in order for them to decorate it, one per family. Families will work together and all may bring in paper/foil/shiny paper/decorations to jazz it up if they wish; some materials will also be available to use in school.

### Family Fun Art Sessions

The response so far has been very disappointing. Please have another look at the leaflet and let us know if you are interested. I've tried really hard to access outside providers to come in and offer different after school activities, especially for the younger children as this is something parents requested on the Governors Questionnaire last year, and I've finally found a provider who is able to join us FREE OF CHARGE! Most of their funding has gone to Melton schools, but, after pushing for us to receive a share, they have offered us quite a number of sessions, so please don't waste this opportunity.

### Macmillan Coffee Morning

The planned coffee morning of Monday 6th October is now postponed.

### Parent Forum

This will take place on Wednesday 8th October at 8.50am. However, if you forget, I will grab you on the playground!

Yours sincerely,

Mrs J.V.Hopkins, Head Teacher
