

Summer Newsletter 7
12/06/09

REDMILE CHURCH OF ENGLAND PRIMARY SCHOOL

Dear Parents,

Our themed chocolate week has been a great success. Our students have worked really hard to give the children a fantastic learning experience: designing and making, wheeling and dealing, buying and selling. Thank you to Tam, Charlie, Laura, Michaela, Rachel and Jenny for all their enthusiasm and commitment to making the week a success.

Rachel said, "I liked it when we made rocky road cakes", Nancy said, "I liked making and tasting the cakes" and Joshua Beeston said, "I liked making milkshake".

Sporting Dreams

Children will have brought home a leaflet all about a summer holiday activity which they can attend here at school. Please send the form directly to them and not to school. It would be great if as many of you as possible can support the event as without the numbers they won't run it.

Tesco/Sainsbury Vouchers – Final Call

If you have any vouchers hidden away, please send them in by Monday, as we have to place the orders next week.

Sports Club

There will be no sports club on Tuesday next week as Mr Williams will not be in school.

Year 6 Residential

This takes place next week. Lydia and Sophie will be joining pupils from Stathern and will jet off to Beaumanor Hall for 3 days of adventurous activities. I'm sure they'll have a super time – especially playing hide 'n' seek in the dungeons!!

Life Education Centre

This will be in school next Thursday, 18th June, and supports our Drug Education programme. If you would like to visit the trailer at 8.50am, to find out about some of the things your child will learn, you are welcome to do so. The programme is partly subsidised by Leicestershire Healthy Schools programme and partly by our own Viking challenge.

Healthy Schools Survey

To establish what support and information parents of primary pupils might need about the Healthy Schools Programme and principles, the LA have prepared a short

online survey which they would like parents to complete. The web link is:

www.lhspparentsurvey.co.uk

The deadline for responses is 30th June. Thank you.

Message From Mark Dennison

In July, I will be cycling from London to Paris in 4 days, raising money for Action Medical Research. The charity is dedicated to improving the lives of babies and children – they've been behind the polio vaccine, ground-breaking research into epilepsy and are committed to reducing premature birth. This is a cause very close to our hearts and I am determined to raise £2000. If you would like to sponsor me, please visit:

<http://www.action.org.uk/sponsor/markdennison>

In addition, I am looking for corporate sponsors - company name and logo will be added to my shirt for the ride and for all press/internet publicity prior to the event – please ask me for more details!
Thank you.

Mad Science

Mad Science are operating a competition to offer 100 free places at their summer camps this year. If you are interested, contact Rebecca Milligan on 0115 9221113 or email her on r.milligan@madscience-em.co.uk

Belton House Letter

The end-of-year trip this year is to Belton House on 2nd July. Look out for the letter next week in book bags. Please note, Mr Sherwin will be here on the same day to talk to Year 6 pupils at 3.15pm. Parents are invited to attend, so please add it to your diary.

Enjoy the weekend.

Yours sincerely,

Mrs J V Hopkins
Head Teacher

Learning together, having fun.
