

Dear Parents,

CONGRATULATIONS to Mr Williams (and Mrs Williams!) on the birth of baby Eva who was born yesterday morning, weighing in at 5lbs 6oz. Mum's feeling a little tired but both are doing very well. Keep your eyes on the website for a photo of the family.

Mr Williams will return from Paternity Leave on Monday 1st March. Class 2 will be well looked after by our trusty supply teachers and me!!

Parent Governor

Congratulations to Cheryl Lobo, our newly elected parent Governor. The governors and I have already welcomed her to her first full governors meeting this week....what an instant initiation! We hope she finds her new role rewarding and enjoyable. We are looking forward to working with her over the coming years.

Maths in school

Week commencing 15th March will be MATHS WEEK.

Following your request in last years Parent Questionnaire to have more help with understanding how your child/ren learn maths in school, the LEBC workshop will take place on the evening of April 28th. Please keep this date free.

Details of other sessions for you to attend will follow after half term.

Don't forget, there's LOADS of great links for maths activities on our web site....great for a quiet half an hour during the holiday!

Travelling by Tuba

What a fantastic day! The children had the opportunity to listen to a variety of unusual instruments from around the world, including a 1000 year old alpine horn and a 2000 year old Roman Horn!! They all had the opportunity to play some of the instruments and put an 'orchestral' piece together. Fantastic!

Robina Hood

Please keep working on lines during the holiday. It'd be great if children turned up for rehearsals without their script after half term, having learnt all their lines, as we'll be cracking on with the drama when we get back.

Older children have also been given the words to the songs, so it is imperative they practice these as well...if we're to have a good show to put on! If there are any urgent queries with regards costumes during the holidays, please email the school.

School Photos

If you'd like a whole school photograph, please return money, no later than Monday 22nd February. There are no plans to have another one taken this academic year, so this is your chance!

Swimming

Please note, there will be NO swimming the first week back (26th February.)

Have a super half term. See you on 22nd February.

Yours sincerely

Mrs J.V.Hopkins
