

Dear Parents,

A very busy week, with topics well under way. Please encourage your child to visit the library or look for books at home linked to their work, which of course they may bring in to share if you wish.

Laury, the American artist, visited us on two different days developing children's ideas for some environmental projects. They were very motivated and were fascinated by her real-life American accent! She praised our children for their knowledge, enthusiasm and creativity and was highly complimentary of our fantastic staff too.

Great subscription for the extra-curricular activities offered. No more places for sports clubs now!!

Viking Challenge AGM

Don't forget...the AGM will be held at school on Wednesday 26th January, 7pm for 7.30pm, with wine and nibbles (a bit of a social!). New positions are up for grabs and extra help is needed (for those of you who are already on the committee). Come and find out more about the Viking Challenge, the schools biggest fundraiser. For more information, please speak to any of the committee members.

New Starters Open session

The re-arranged date has been set for Monday 24th January at 2pm. Please pass the word round!

Cross Country

The Leicestershire Primary Schools Athletics Association's cross country run scheduled for this Saturday 22nd January is cancelled due to water-logging.

The Melton Cross Country will be on February 12th. Details to follow.
