

Dear Parents,

Congratulations to our footballerswe WON! 12 teams took part in the Vale Football Festival, held here at Redmile yesterday and our team won! Great goals, super saves, amazing attitude, terrific teamwork, perfect passes and delightful determination throughout. I'm really proud of them all. Thanks to all our supporters – standing on a cold and windy touch line for all these years has finally paid off! Thanks to Andy who works so hard with them in training and to all staff and pupils for their encouragement.

More Good News

I have heard this week that the planning application for our new buildings has FINALLY been submitted. If there are no objections within the community, work could commence in 6/7 weeks time (9/10 if not). I have been assured that whatever happens, the new classrooms (if planning is approved) will be ready for the START of the autumn term.

I plan to hold a Parent Forum on Wednesday 23rd March at 7pm in order for you to come and view the plans and ask any questions you may have. Please return the slip below, adding any questions you would like answering. This will give me the opportunity to speak to the Planners/Project Manager from County Hall beforehand if I need to.

Road Safety

Next Thursday, Enid Danton, our Road Safety Officer, will be in school to work with each class. The children may come home chatting about it, so please reinforce sensible behaviour when out and about.

Kingswood

The final Kingswood instalment will be due next week. Children have voted for the activities that they would like to do, so hopefully we will hear soon about the final programme. I'm scheduling another meeting for Tuesday 12th April, to enable you to come along and receive the final details and ask any

burning questions you still have, so please make a note in your diary.

Friday Assembly

There will be no special assembly next week due to classes being out on trips.

Comic Relief

The School Council have been busy organising something 'Funny for Money' and after talking to all classes have decided to hold a 'Dance for Comic Relief' competition, have a non-uniform day (wear red or shades of red please) and have maths and literacy lessons linked to the Red Nose theme. The event will take place on Monday 21st March, as classes are out on the actual day.

Yours sincerely,

Mrs J V Hopkins
Head Teacher
