

Dear Parents,

Once again, our children have had the opportunity to go out on a field trip, visiting a Synagogue and Sikh Temple, and came back making us really proud. The behaviour and attitude of all our Year 2, 3, 4 and 5's was exceptional. Thanks to all the staff involved in the organisation too.

I am also really proud of our Year 6's who did not go on the trip - they stayed behind to revise for their SAT's and didn't complain once! Well done to all of you!

Class I have done some beautiful writing following their tour of St Peter's Church led by Mrs Wells – well done everyone!

Next Week.....

Tuesday is Titanic Day. Many schools throughout the country have been blogging and tweeting about the commemoration and their involvement through projects etc, and with it being in the media, most of our children are talking about it as well, so they are really excited about next week and have told me they can't wait.

Some have said they are a bit worried about what to wear – no need! Keep it very simple and help them to see it as another chance to dress up! Even a hat would be enough. The letter last week had suggestions to help generate a variety of styles and perhaps has been misinterpreted to some degree, so keep it simple.

We will be focusing on this aspect of history in terms of:

- * Transportation: what was special about the ship, where was it travelling to, size/scale etc.
- * Activities on board the ship: dancing, games, dining etc.
- * Comparison with then and now: to give the children an understanding of change, with particular links to the following Olympic Values: courage, respect, equality, determination and inspiration.

We are looking forward to another memorable Redmile experience.

Music Lessons

1. Drumming lessons will be taking place on Friday mornings. This will not interfere with any final SAT's preparation.
2. Year 6 have begun keyboard lessons, delivered by Mrs Jackson from Belvoir High School. These are free of charge and are provided through our partnership work with them. They will therefore not do music on Monday (at least until SAT's are over) in order for them to complete revision work.

Special Message from Joshy & Holly Beeston

"Well done to our Dad who won a British Pie Award this week against a whopping 900 other people!"

Congratulations Mr Beeston from us allI wonder what they taste like??!!

Cricket Club

A reminder that cricket club starts next Tuesday for Years 3-6 from 3.15-4.15pm. Don't forget parents will need to send in a letter of permission if their child wishes to attend.

London Theatre Trip

If you have not already sent payment in for the Year 6 trip to London, please could you send it in on Monday. Thank you.

School Dinner Menu

Just a reminder that the new menu, sent home last Friday, will be effective from Monday next week.

Prayer by Jacob Marshall-Taylor

God bless my teacher,
and friends keep me safe.
Help me to make good choices.
God bless my happy school.
Amen.

Yours sincerely,

Mrs J V Hopkins
Head teacher
