

Dear Parents,

Harvest Festival

Thanks to all those of you who were able to attend our Harvest Festival. I have never seen the church so full for Harvest! Marvellous. I hope you enjoyed your child's performance. I thought they did a wonderful job: clear, confident and loud. Our summer show has clearly benefitted them enormously. Thanks to all the teachers for your creativity in pulling things together. The collection raised £52.93 for St Peter's Church which will help towards the heating costs.

Dove Cottage were thrilled with their Harvest Boxes. Dalton, Alicia, Rachel and Felix helped me deliver 52 boxes straight after the service. Chris Gatfield, the Manager, asked us to pass on her thanks for your kindness and generosity.

Harvest in Plungar

Our new REMPs; Rachel, Harriet, Harry F, Liam and Oliver S, have been busy preparing some Harvest pictures and prayers to display around the War memorial in Plungar. Please do pop along to have a look if you can.

Early Morning Club

It appears that numbers have dwindled, particularly on Monday and Tuesday. This is incredibly disappointing as it will mean this facility will have to finish. I can only assume it's because there is a small charge now; if there are other reasons, I'd be interested to know. I have made enquiries about costs other schools charge and it appears that some charge about £3.50 and others as much as £5.50 from 8am. Therefore, our charge of £1.50 (with school subsidising the rest to pay for the trainer) is more than reasonable. The children tell me that they love to go, so please do re-consider and show some support so that we can keep it open.

Congratulations

Well done Jacob Marshall-Taylor who was awarded Player of the Year by Belvoir Cricket Club.

Viking Challenge

OCTOBER 5th...don't forget!!!

Mrs Middleton has kindly brought eggs in as promised for those of you who need them for Viking Challenge baking. Anyone who hasn't collected any yet and needs them please come into school to collect.

Mini Viking Challenge

Our mini Viking Challenge takes place next Thursday afternoon on our school field. We anticipate a 1.30pm start. Don't forget to send your child to school with their wheels and helmets so that they can take part. If your child cannot ride a bike yet, don't worry, they can push a pram or a wheel barrow or any mobile toy they have with wheels! You are very welcome to come along and support the event...helpers too would be most welcome. Babies may be pushed round the event (real ones and pretend ones!!) and toddlers can participate providing they are well supervised by you and are aware of the dangers of older children cycling round the course; this is essentially an event for our school children but we appreciate that families do enjoy and value the opportunity to get involved.

Special Lunch

We have had an excellent take up of the free school meals for KSI children so far this term and are hoping to extend this to all eligible children. Next Thursday, 2nd October, the kitchen is organising one of their most popular dinners; sausages, chips and beans/peas followed by ice cream. We will order a dinner for all children in Reception – Y2 on this day, in order that they have the opportunity to try a school meal. Please inform the office by Monday if your child does not want a dinner on this day.

Parent-Teacher Interviews

The slips will be sent out next week for you to sign up for an appointment. Please get them back asap as appointments will be sorted out on a first-come-first-served basis.

Yours sincerely,

Mrs J. V. Hopkins
Executive Head teacher

Learning together, having fun
