

Dear Parents,

SATS

Huge congratulations to the Year 6 children this week for completing their SATS. They all worked incredibly hard and were all determined to do their best, even when the rest of the school had gone home on Wednesday morning due to no water in school.

Thanks to everyone for your support over the water situation.

Nepal Collection

The collection has had a boost this week with the donations from the second hand school uniform stall organised by Mrs White. The final total being sent is now £250.00. Thank you very much.

Maths Next Week

Class 1: - Problem solving with capacity.

Class 2: - Time.

Class 3 – short and long division

In Classrooms this Week

Class 1

This week Class 1 have been learning about capacity and measuring. In Forest Schools they made life cycle collages out of natural materials

Class 2

The class have made vegetable soup this week, then working on measuring with soup containers and writing recipes.

Class 3

This week Year 4 and 5 children have been continuing to plan their zoo. They had to add up their costs then they worked out how much profit they would make each day from the money they collected from visitors. In Forest Schools the children got very messy while adding the mud to the round house – it was great fun! We have also been making our own creations when looking at the Christian creation story and discussed how God would have felt when he made the world.

Kingswood

Thank you to all those parents who came to the final briefing for Kingswood. The pack will be sent home tonight for those families who could not attend the meeting and the briefing notes are available in school to view. Please make sure the **green form** is read, signed and returned on **Monday**.

Kwik Cricket Tournament

Unfortunately it looks like we may not be able to attend next Tuesday's cricket tournament, as we do not have sufficient transport help. Whilst we appreciate that transporting to Melton both ways is a big commitment, if you are able to help transport one way we may be able to organise sufficient cover. Please let us know by Monday if this is possible so we can make a final decision. Thank you.

Girls Football Tournament

There has been a change of venue for the tournament next Thursday, which will now be held at Asfordby Amateurs ground, Hoby Road, Asfordby. Please return slips on Monday so we can organise transport arrangements.

Drumming

Due to SATS this week there was no drumming, however the children will receive two drumming lessons next week on Monday and Thursday.

The Lion, the Witch and the Wardrobe

Next term, all of Class 3 will be reading and studying a book called 'The Lion, the Witch and the Wardrobe'. The book is written by C.S. Lewis. To help the children develop their comprehension and writing skills we will be using snippets of the film. The film has a PG rating, if you have any concerns or would rather your child did not see parts of the film, please speak to Miss Geeson or Mrs Longden.

Swimming

Letters have gone out this week regarding swimming arrangements after half term. Each year group will be swimming at some point during the 6 weeks, so if you haven't already had the letter, please ask your child for your copy. Money due in by Monday 1st June please.

BIG ANNOUNCEMENT!!

The greatly anticipated details of this year's Family Challenge can be found in book-bags today!! Advanced notice will give you chance to put some thought to the competition over the half term holiday...well, for those of you who are competitive that is!! Have fun ☺

Yours sincerely,

Mrs J. V. Hopkins
Head teacher

Learning together, having fun
