

Dear Parents,

In Classrooms this Week

Class 1

This week in maths, children have been working on money; recognising coins and finding totals. In Forest Schools they have been doing orienteering and map reading.

Class 2

This week the children have been researching animals in China and finishing our class book 'The Mystery in the Night Wood'. In maths they have been solving money problems.

Kwik Cricket Tournament

This event has now been re-scheduled for Friday 12th June, 9.30-2.30pm. We are aware this clashes with the Family Challenge, but having spoken to the children they are very keen to attend still. Unfortunately we do require help with transport as the local bus companies are now booked up until the end of term. Please return any outstanding permission slips by Monday please.

Head Lice

We have had a case of head lice reported to us this week so could you please check your child's hair over the weekend and treat accordingly.

Art Club

The lunchtime art club has now finished for this term. We are looking at possibly starting it again in the new academic year and will keep you informed. Thank you to Ms Hathaway for her time in providing this popular class.

Multiskills

The children in Years 1 and 2 have been invited to attend the Multiskills Festival at Belvoir High School next Tuesday; letters are in book bags today. Transport has been arranged but we do need permission slips returned on Monday please – sorry for the short notice but we thought the event was going to be held here at Redmile.

Adult Fitness Class

Due to the Family Challenge there will be no fitness class next Friday, but they will resume on Friday 19th June. For your information the following classes are also available free of charge, through the same funding:

Monday	Stathern village hall	9.15-10.15
Tuesday	Scalford village hall	9.15-10.15
Wednesday	Waltham village hall	9.00-10.00

We have been told you are able to leave pushchairs at the side, if you need to bring your baby with you.

Kingswood

Mrs Hopkins has called to let us know how much the children are enjoying their residential trip. It appears they are having a fantastic time but we understand they may be a tad tired when they get home! We look forward to hearing all about it.

Football Friendly

There will be a football friendly between Redmile and Waltham during sports club next Tuesday, 9th June. Those children who are in the teams but do not usually attend sports club will be informed directly.

School Emails

Unfortunately we are still experiencing problems with the school email system. Please continue to phone through any urgent messages and we will update you when the problem is resolved. Thank you.

Family Challenge

Just a reminder that the Family Challenge will be held in the school hall next Friday, 12th June, at 9am. Good luck!

Yours sincerely,

Mr S Williams
Class Teacher

Learning together, having fun
