

Dear Parents,

**OUR WINNING TEAM**

Congratulations to our Class 3 girls who entered the football tournament at Brooksby College on Monday where they came second in the final: Lauren, Libby, Lola, Holly, Ruby, Robyn, Olivia and Lillie. Mr Williams was very proud of all of them and they were very close to winning the tournament but they just lost out in the last moments of extra time. They worked brilliantly as a team against most of the bigger Melton Schools and other Vale Schools. Well done to Lola and Holly who were the top goal scorers and winners of the Morley Trophy for great sporting achievement.

**News from Classrooms**

**Class 1:**

In Class One this week they have been learning to recognise shapes, sort shapes and look for symmetrical patterns. The whole class went on a visit around Redmile as they continue their studies on the local area. They also had great fun at the Mini Viking Challenge.

**Class 2:**

This week Class 2 have been making very informative leaflets about Redmile. They have been practising their addition and subtraction skills using number lines. In dancing they have been learning some country dancing which they really enjoyed.

**Class 3:**

In Class 3 this week, they have researching and creating presentations about food from the local area – yummy Melton Mowbray porkpies and Belvoir Fruits! They have also been creating some art work about Jonah and the Whale.

**Maths Next Week:**

**Class 1:** estimating and counting

**Class 2:** shape and measures

**Year 4/5:** fractions

**Year 6:** dividing and multiplying fractions

**Mini Viking Challenge**

A big thank you to Mrs Shores, Mrs Murray and Mr Williams for setting up the Mini Viking Challenge on Wednesday. All children got the opportunity to take their 'wheels' around the course. Some just kept on cycling and cycling and had great fun!

**School Photographs**

The children will be having their individual photographs and sibling photographs on Wednesday 7<sup>th</sup> October.

**Magic Maths**

The Magic Maths club will be starting on Thursday 8<sup>th</sup> October.

**Macmillan Cake Sale**

Last week the School Council met with the Waltham Owl Ministers and agreed they are passionate about raising money for Macmillan Cancer Support. On Friday 16<sup>th</sup> October, they would like to sell cakes to children and families at our special assembly. They will decorate some cakes in school but would appreciate it if you would like to donate some too. They suggest a minimum donation of 10p per cake but would welcome more!!! As the Macmillan logo is green we would also like everyone to wear something green!

**Viking Challenge**

Cakes can be dropped off at the school hall between 2 – 4pm tomorrow (Saturday). **Please remember to name containers.**

It was great to see Charlotte in school today from the Air Ambulance Service who we are supporting this year. It really helped us understand who our money will help.

GOOD LUCK TO  
EVERYONE  
INVOLVED THIS  
WEEKEND & THANK  
YOU!

Yours sincerely,

Mrs J. V. Hopkins, Executive Head teacher

Learning together, having fun
