

Dear Parents,

Maths Next Week:

Class 1: Maths positional language; $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$ turns.

Class 2: Money and measures.

Year 4/5: Multiplication.

News from Classrooms

Class 1:

In Class 1 this week the children have been counting and ordering numbers. They have completed Diwali and bonfire celebrations topic work.

Class 2:

This week Class 2 made bows and arrows in Forest schools, explored the story of Robin Hood and looked at firework safety.

Class 3:

Class 3 this week have been studying 3D shapes/nets and Roman numerals. They have studied Remembrance poetry, Diwali and bonfire safety. They also looked at Roman Gladiators diaries and Gladiator music.

Remembrance

On Wednesday 11th November we will be marching to St. Peter's Church for the minute silence at 11am to mark Remembrance Day. We will be leaving school at 10.45am. You are very welcome to either walk with us or meet us at Church.

Cross Country

Well done to Ned and Jonas who attended the cross country last weekend. Jonas improved his placing by over 60 places and Ned finished an amazing 40th out of 300 runners! We are very proud of them both.

Flu Vaccination

Please send any remaining consents forms back to school by Monday. Thank you.

Safety message: Bonfire Parties

If you are going to a bonfire party/display this weekend please remember the safety rules. Children have been reminded about this in school this week.

Parking Issues

Please remember to park clear of the bus stop when picking up and dropping off at school, allowing space for cars to manoeuvre around the bus. We have had issues in recent days with parking and would ask you pass this message on to grandparents and those this may concern. Thank you.

Anti-Bullying Week

Next Thursday, 12th November, we are inviting the children to dress up as a character from a traditional tale e.g. Little Red Riding Hood, Cinderella, Snow White, Peter Pan, as part of anti-bullying week. They can be either a 'goodie' or a 'baddie'.

Operation Christmas Child Shoe Boxes

We now have the date for the collection of shoe boxes for this appeal. Please could all boxes be in school by **25th November at the latest**. Any boxes sent in to school after this date will unfortunately not be collected. If any additional labels are required, please contact the school office so they can be sent home with the children or drop into school to collect. Thanks to those of you who have already sent in boxes – they look lovely!

E-Safety

There have been further reports in the news this week of the vulnerability of children when using the internet unsupervised. If you allow your child access to the internet, whether it is through research on search engines like Google, or social networking like Skype, Facetime or Instagram, please remember that they are open to a world of strangers. Please protect them like you would if on the streets and supervise them at all times whilst they are on the internet.

Halloween Fayre – Message from Lola and Joe Turnbull

Thank you everyone for supporting the Halloween Fayre and for your generous donations. We made a massive £458 and all the money will go to Redmile playpark for new equipment.

Basketball

Good luck to our basketball team who are competing at Belvoir High School on Monday.

Premises Officer Vacancy

We are very sad to say that Mrs Laywood, our Premises Officer, shall shortly be leaving us as she will be moving away from the area with her family. That obviously means we have a vacancy at school, details for which were sent home yesterday. Please could you tell anyone who you think may be interested in this position. The deadline for applications is next Friday, 13th November.

Yours sincerely,

Mrs J. V. Hopkins
Executive Head teacher

Learning together, having fun
