

Dear Parents,

News from Classrooms:

Class 1: This week in Class One they have learnt about Neil Armstrong, the first man on the moon and explored 3-D shapes in our environment.

Class 2: This week Class Two have been practising their addition and subtraction skills. They have been creating their own alien character from the 'Man on the Moon' book. The children have really enjoyed designing space alien pets. They have also been learning about astronauts and their space suits.

Class 3: In class 3 this week they enjoyed the police workshops and continuing the space topic, wrote stories about our planets and learnt about the phases of the moon.

Maths Next Week:

Class 1: Place value and number sequences
Class 2: Fractions and Problem Solving
Class 3 Y4/5: Shape
Class 3 Y6: Charts and mean

Year 6 Parents Evenings

We will be giving Year 6 parents and children the opportunity to have an early parents meeting with Mrs Longden and Miss Geeson so that you can ask any questions and know how to help your child before SATs. The parent meeting will be held on **Tuesday 23rd February** from 3.20-6.00pm. Letters are in bags today – please return a.s.a.p.

Summer Club Questionnaire

A questionnaire is going home today to gauge interest in a possible summer club. Please could you complete and return this form to the school office. Thank you.

Data Collection Sheets

Data collection sheets which contain information about contact numbers, addresses, medical conditions etc., will be sent home for all children today. Please sign to confirm all details are still correct making any amendments if necessary and return to school, so we can update our records. Thank you.

Viking Challenge Presentation

The presentation of the Viking Challenge cheque will take place at 9.30am on Friday 11th March, straight after special assembly. Everyone welcome.

Police Workshops

On Wednesday this week the Police came into school to run workshops for all the children in Y3-6. They all thoroughly enjoyed these highly informative sessions which covered topics such as stranger danger, what to do in emergency situations, bullying and anti-social behaviour. Photos from the day will be on the school website shortly.

Junk Modelling

Next Thursday we will be holding a whole school space themed day. Please could you send in any recycled plastic or card to help with the junk modelling. Thank you.

Thank You

Thank you very much to Robyn Houghton's family who have kindly donated 50 leather footballs to the school. It is greatly appreciated.

Early Morning Sports Club

Depending on demand, there is a possibility of an additional early morning sports club on Friday mornings, starting after May half term. The sessions would be run by 'Finding Fitness' at the current cost of £1.50 per session. Please complete the slip at the bottom of the newsletter and return by next Friday if this is something you would support. Thank you.

Yours sincerely,

Mrs J. V. Hopkins
Executive Head teacher

Learning together, having fun
