

Dear Parents,

News from Classrooms:

Class 1: This week Class 1 have been learning about Jesus' miracles and looking at the 'Feeding of the 5000' Bible story. The class went on a nature walk to look at changes in plants during spring time.

Class 2: This week Class 2 have looked at the story of 'The Loaves and Fishes'. They studied the lifecycle of a caterpillar and learnt about British wild birds, seeing which birds could be spotted around the school grounds.

Class 3: In class 3 this week the children have learnt origami skills, making origami birds. The class discussed whether children play outside enough and used power point to show the data. In science the children made identification keys for leaves.

Sewing Club

Please note there will be no sewing club on Thursday 26th May. Sorry for any inconvenience.

Website Error

It has been brought to our attention that there was an error on the school website regarding the autumn term start date. Children start back to school on **Wednesday 31st August** not Tuesday 30th. This has now been rectified on the website. Sorry for any confusion.

Working Party

I would like to organise a small working party with representatives from our school and Waltham /Redmile to review our Sex and Relationships Policy. If you'd like to be part of the group, please email the office of your interest with details of your availability so that we can organise a meeting this side of half term if possible; if not, early next. This will give us time to draft and re-draft as needed. I am happy to meet during the school day, after school or early evening so please give me a few options to see when we can get most of us together. Thank you in advance of your support.

Staff Appointment

I am delighted to announce that we have successfully appointed James Cope to join our teaching team at Redmile from the autumn term. Mr Cope will be in school over the next few weeks to get to know us all, so you may see him around. We wish him every success and hope he will be very happy here at Redmile.

Letters going home this week:

Year 6 Leavers Trip
Young Innovators - finalists letter
Maths workshop for parents

Message for Year 6

Good luck to all our Year 6's who take their SATs next week. Please don't talk too much about it over the weekend; the work has been done and you are ready! We are all really proud of the effort and commitment you have shown to achieving your best. You are all very special people and I know you'll give it your all. Don't forget to have plenty of sleep and bring chocolate next week!!

Let no one steal your dreams

Let no one tear apart

The burning ambition

That fires the drive within your
heart

Set your sights and keep them
fixed

Set your sights on high

Let no one steal your dreams

Your only limit is the sky.

From 'Let no one steal your dreams' by
Paul Cookson

Yours sincerely,

Mrs J. V. Hopkins
Executive Head teacher
