

Dear Parents,

I am hoping to resume my newsletter, although I can't promise that the schedule will allow me to write one every week; I will endeavour to do my best. I have had some feedback that my newsletters are missed, which I'm pleased to hear. I know most of you have now got in to the swing of Seesaw and this is proving popular; this is something we will definitely continue with.

Thank you to everyone who has attended recent events, especially sports day. Well done to the Mums who smashed the tug-of-war! I'm sure you'll agree the mixture of competitive sport with team spirit and sportsmanship values was a great combination.

Maths Next Week

Class 1: Money and shopping
Class 2: Problem solving and reasoning
Class 3: 3D shapes
Class 4: Problem solving

Year 6 Parents

We are about to complete the SRE lessons, so if you would like to see the videos again or receive copies of the content please let me know. We'll send a text message when a lesson has taken place so that you can prepare yourself for further questions.

Book Fair

Thank you supporting Book Fair. We raised a total of £643.00 which has enabled us to purchase £643.00 worth of books for our school! Special thanks to all our helpers who made it all possible.

Class Photos

Class photos have now gone home. Please return your order form to the school office by Thursday 28th June with your preferred payment method, ensuring cheques are made payable to Wrates.

Transition Days

Our Y6's will be out on various dates over the coming weeks, visiting their new schools and learning how to look after their own PE kit!! Whilst they are out, we will be scheduling in some transition time for other year groups to move around and work with their new class and teacher/s, if relevant. I will let you know as soon as possible when Mrs Watson will be with us, so that you can pop in and say hello.

Sports Club – Friday 29th June

There will be no sports club on Friday 29th June as Mr Wing is accompanying our Year 4 hockey team to the County Finals in Uppingham. Good luck to our team!

Summer Shows

KS I - Josephine

Due to a clash of dates, the performance of Josephine will now take place on Wednesday 4th July at 5.30pm. The dress rehearsal will remain as Friday 29th June at 11.00am. No tickets will be issued as the number of children involved does not present us with difficulties over fire regulations, so please feel free to bring family members along.

KS 2 - Joseph and His Amazing Technicolour Dreamcoat

Tuesday 26 th June	1.30pm	Rehearsal
Wednesday 27 th June	1.30pm and 6.45pm	
Thursday 28 th June	6.45pm	

A letter regarding ticket allocation was sent home yesterday to all KS2 parents and tickets are going home today. If you don't have a child in the show but would like to attend, please let the office staff know by Monday 25th June, as tickets are limited.

All children will attend the dress rehearsals to watch the different shows, so no one will miss out. If you are unable to attend the evening performances due to prior engagements, please get in touch with the class teacher as you'll be welcome to pop in to a rehearsal.

School Reports

The final report to parents will go out w/c 2nd July. We don't usually have another parents evening but if you'd like to speak with the class teacher once you have received the report, do get in touch with them directly.

Y6 Trip

The Y6 leaver's trip will be on Tuesday 10th July to Twin Lakes. Details to follow next week.

Y6 Leavers Service

The Y6 Leavers Service will take place on Thursday 12th at 9.15am in the school hall. We look forward to seeing you there.

Family Challenge

Our annual Family Challenge is still scheduled to take place on Friday 29th June at 9.15am. Coffee will be available in the hall as is usual on a Friday. There is no need for any preparation; just turn up in suitable footwear for being challenged outside!! If the weather is horrendous, we'll have an in-door reading challenge for you.

Yours sincerely,

Mrs J. V. Hopkins, Executive Head teacher

Learning together, having fun
