

Dear Parents,

### Parent Governor Election

As announced on Seesaw this week, Joanne Berridge has been appointed Parent Governor. Congratulations to her and a warm welcome to the governing body. Many thanks to Emma Keating for also standing in the election.

### Prestwold Cross Country

Well done to our runners in last Saturday's cross country. They performed brilliantly in extremely difficult weather conditions.

Thank you to Mrs Phillipson for co-ordinating on the day.

### Sports Club for Reception Children

Effective next week, our Reception children can join both early morning sports club on Wednesdays/Fridays (£1 per session) and after school sports club on Wednesday. If you would like your child to attend, please contact the school office.

### Anti-Bullying Week, 11<sup>th</sup>-15<sup>th</sup> November

On Tuesday 12<sup>th</sup> November to mark anti-bullying week and to celebrate what makes us unique, we are having Odd Socks Day. Be creative! Wear as many odd socks as you like – don't just think feet! We look forward to seeing your ideas.

### Children in Need – Friday 15<sup>th</sup> November

To raise money for Children in Need we are holding a 'Big Morning Move' with Joe Wicks (live activity session). We are asking for a £1 donation from the children to support this amazing charity.

### Royal British Legion Poppy Appeal

Poppies and other items will be on sale all next week. Items available range from a suggested donation of 10p to £1.

### Grantham Journal

The photo of our new Reception children appears in the Grantham Journal today. Please see link below.

### Safety message: Bonfire Parties

If you are going to a bonfire party/display this weekend, please remember the safety rules. A great website to look at with your child is Bonfire Night Health & Safety Guide <http://www.bonfire-night-safety.co.uk>

Did you know these facts?

- Fireworks can travel up to speeds of 150mph, which is the cruising speed of some biplanes.
- If 3 sparklers burn together, they will do so at the same heat of a blowtorch used for joining metal.
- Loud noises in the wild are a sign of danger to animals, so your pets may become very anxious.

HAVE FUN, BUT PLEASE BE SAFE.
