

## Weekly Updates – 13.03.20

- **Reporting Illness**

In light of the current health situation, please can we ask all parents to notify us if anyone in their household is self-isolating; has a persistent cough or has a raised temperature.

We currently have a child at school with a kidney condition which suppresses their immune system. There is also an added complication with this condition that their kidneys are likely to leak antibodies. This results in a reduced ability to fight infection. Thank you for your help.

- **Sewing Club**

With effect from Friday 20<sup>th</sup> March, sewing club is cancelled. Unfortunately, with the necessary change of day, take up of this club has declined and now there are insufficient numbers to make this viable. Thank you to Mrs Fossey who has been running the sewing club. Sorry for any inconvenience.

- **Easter Play Scheme/ Sports Camp**

Booking forms for the Easter play scheme have gone home this week. In addition, Mr Lovett will be running a multisport camp on 14<sup>th</sup>/15<sup>th</sup> April, 9am – 12pm. Leaflets will be going home shortly.

- **Vale Choir**

Well done to all our Y4 children who attended the Vale Choir concert on Wednesday night – you performed brilliantly and we were very proud of you all.

- **Cross Country Championships**

Congratulations to Bronwyn, James, Noah M and Oliver G who all took part in the cross country championships on Saturday 29<sup>th</sup> February.

They did brilliantly, in very challenging conditions!
